Wildwood Presbyterians

WILDWOOD ART CAMPS

These classes will be fast paced and fun, reinforcing the delight and joy that the artist experiences through the process of creating! All classes will focus on painting, each using a wide variety of developmentally appropriate materials, and all students will receive daily instruction in "looking, seeing and drawing," as the basis for producing successful works of art.

All classes will discover what God says in His Word about art and artists, and about the responsibility of the Christian artist in today's world. Art history will be woven into every day, beginning with the most famous and magnificent of all works: God's creation of the world. Students will discover this reflected in the literature of the Bible, in music and in paintings produced through all of history; they will come to understand their own works of art created during the week to also be a reflection of not only God's magnificent creation, but also of the of the Creator Himself!

SERFS will be on hand to lead our kids around Israel as we listen in on royal conversations, spy out danger and match wits with great kings. We'll meet Saul, David, Ahab, Esther, Rehoboam, Hezekiah, Agrippa and more. As we bow and curtsy our way through a royal summer, we'll pray together, sing together, munch together, make some cool crafts, play some fun games and explore God's wonderful world of science. Meet in the Fellowship Hall for large group teaching, and then off to Main Street for small groups..

Salt & Light Camp Basic Training

(July 30 - August 3)

This weeklong camp is designed for 4th & 5th graders (Fall 06). This year's theme is Basic Training. Being more like Christ; that's the result of growing as a Christian, and God's desire for each of His children. But becoming closer in your relationship with Jesus doesn't happen automatically. That is why we need spiritual Basic Training! At camp we will learn what it means to be a Christian, how to have a quiet time, how to be part of the body, how to handle temptation, and how to share our faith. But this is also summer camp so there will be a variety of activities including the blob, water balloon fights, paddle boats, hiking, volleyball, swimming, crafts, night games, basketball, Wacky Olympics, and very messy games ...to name but a few!

Kids' Crochet

Kids love crochet. Send them to camp and get them going on their project. Knitting is a great take along hobby that kids can do in the car, waiting in the doctor's office or at a restaurant.
